60 MILES OF BEACH ACROSS 12 CITIES

Naturally, the fun begins at the beach, the Myrtle Beach area's No. 1 attraction. Sixty miles of coastline provide visitors with all the necessary resources for an ideal getaway; and it's no wonder that the Myrtle Beach area of South Carolina has been named the "World's Best Beach" by *Yahoo! Travel* or "Favorite Beach Town" by *Southern Living*.

JUST ADD WATER: SAIL, SURF, KAYAK, DIVE

Sailboat, Jet Ski, canoe and kayak rentals are offered up and down the Grand Strand. For those looking to descend below the water, there are several historical shipwrecks that can be explored via scuba diving, including the *Hebe*, a Dutch merchant ship, *St. Cathan*, a British submarine chaser, and the *Richmond*, a passenger ship that sank off the shores of the Grand Strand. Other above-water activities along the beach include parasailing, surfing, boogie-boarding, windsurfing and kite surfing.

Hook, Line and Sinker: Fishing

Fishing along the Grand Strand can be enjoyed from one of eight fishing piers located along the beach, as well as from backwater creeks between Georgetown and Little River – where the crabbing is also great! More serious anglers can board a boat for bottom fishing, or venture all the way to the Gulf Stream, just 60 miles offshore, for true deep-sea sports fishing experiences.

Also, each year, visitors can enjoy the Grand Strand Fishing Rodeo. Anglers of all ages enter for a chance to win cash and other prizes totaling more than \$20,000. From April – October, fisherman can enter their catch... caught from pier, surf, inlet or deep sea and you could win monthly decals, shoulder patches, cash and merchandise.
